## President's Message

Dear Members:

I hope that everyone is enjoying the cooler weather, as it finally seems that fall is here.

I am very excited about all that is going on in our chapter. We have two big evening events coming up that I hope everyone can attend. In October, we will have our bankers' financial institutions evening featuring our guest speaker Casey Cagle, Georgia's Lieutenant Governor. Mr. Cagle will be speaking to us about economic development in the state of Georgia. For November, we are planning our attorneys' evening featuring our guest speaker Howard D. Rosen, Esq. who will be speaking to us about the use of off shore trusts in asset protection. Both evening events will be held at the Dalton Golf and Country Club and will be events that you will not want to miss - put these dates on your calendar, today.

Jessica Crutchfield
